NOTE FOR: Chief, Special Activities Staff/OP

SUBJECT: Work of SAS

Andy:

1. The attached bucksheet will be of interest to you. The DCI and DDCI both were impressed by the work of SAS. The DCI telephoned me a few days after I briefed him because he wished to share with PFIAB some details about your work.

2. Keep up the fine work!

3. Please share this note with your staff.

Bob:

We have come a long way in better understanding and better managing suitability problems post-Howard. The record system has been enhanced. Follow-up has markedly improved. Key managers are more involved in suitability cases.

I have reviewed the contents of the attached notebook with the DCI while you were on TDY. I think you will want to scan it as well. While reading it, keep in mind the "Living on the Margin" issue. I don't believe it belongs in OP/SAS.

The credit for the improvements in this area should go to Bob Magee and, particularly, [redacted] Chief, Special Activities Staff/OP and his team. They are doing a tough job very well!
